Annual Maintenance Contract

This Annual Maintenance Contract ("AMC") is made on 1 Nov 2026 between ThingsAlive Technologies, No. 12, 3rd Floor, Tidel Park, Rajiv Gandhi Salai, Taramani, Chennai 600113 ("Service Provider") and Kaveri Foods Ltd, Survey No. 118, Hosur Industrial Area, Hosur 635126 ("Customer").

1. Period

From 1 Nov 2026 to 31 Oct 2027, renewable by mutual agreement.

2. Equipment covered

- 48 wireless temperature / humidity sensors (cold rooms 1-6)
- 6 LoRaWAN gateways
- 22 reefer truck trackers
- NeoX monitoring dashboard and alerting

Located at: Kaveri Foods Plant 1 and Plant 2, Hosur

3. Services

- 4 preventive maintenance visits per year, with a visit report after each.
- Corrective maintenance for faults reported through the helpdesk, phone or email.
- Firmware and software updates released for the covered equipment.
- Remote monitoring and health reports where the equipment is connected.

4. Service levels

Priority	Response	Resolution
Critical (system down)	4 hours	24 hours
High (partly working)	8 hours	48 hours
Low (query / minor)	1 business day	5 business days

Uptime commitment: 98% per quarter, excluding planned maintenance, power or network failures at site, and misuse.

5. Spares

Consumables and parts damaged by misuse, power surges or tampering are charged at list price. Other spare parts are covered.

6. Fees

Annual fee INR 3,60,000.00 plus GST, billed quarterly in advance. Visits outside the scope are charged at the agreed per-visit rate.

7. Customer responsibilities

Safe access to the site, a single point of contact, stable power and network, and no repairs by third parties during the AMC.

8. Exclusions

Relocation, civil or electrical works, damage from fire, flood or accidents, and equipment not listed above.

Signed electronically by both parties.
